PAVILION RESERVATIONS

There is now a form that
needs to be submitted for
Pavilion Reservations.

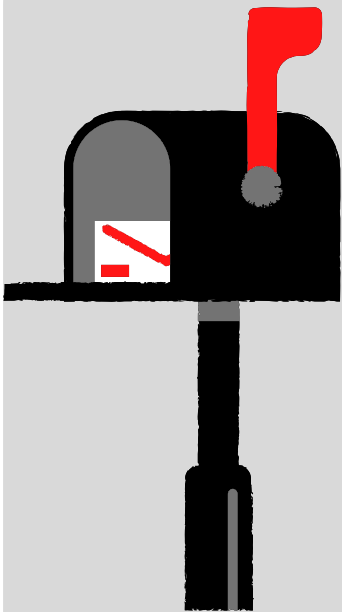

Visit the website & select the
Park/Pavilion tab.

Please remember to pull your can up to your home and stored out of sight in a timely manner.

From the Covenants:

Paragraph 24. ACCUMULATION OF REFUSE:

If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers must only be placed in the open on any day that a normal pick up is to be made, at such place on the property to provide access to persons making such pick up. At all other times such containers shall be stored in such manner so that they cannot be seen from adjacent and surrounding property.

Your mailbox is the first visual representation of your home. Show pride in your home by ensuring that your mailbox is fresh looking, bolted properly, and has a door in working order.

If you need to update your mailbox, here are three (3) local business contacts:

**-Tip Top Mailbox, Joy & Robert, 334-833-2223
or 334-669-2262**

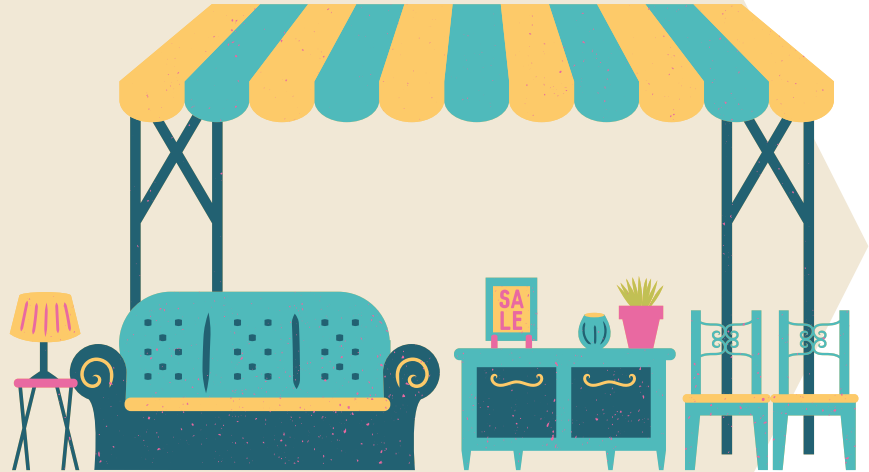

-Doyle Bingham, 334-799-1018

- While supplies last

Weather in Alabama can be unpredictable.

We may see rain every day for weeks at a time.

This can make it harder to mow your lawn, but it's the **perfect time to trim those bushes and trees, as well as provide regular maintenance to your flowers beds.**

Please remember to bag your grass clippings and place them on the curb on your trash day. Do not blow grass clippings into the street. It is not only against the covenants, but it is also harmful and damaging to the storm water drainage system.
